

Development Of Laser Spectrometer Opens The Way For More Effective Carbon Trading, Drug Development

Contributed by Leslie Karsner

More info...

Carbon offsets increasingly are becoming a major component in the arsenal for reducing global warming. Even Bon Jovi, the Rolling Stones and the Dave Matthews Band are doing it: acquiring carbon offsets to reduce the carbon footprint of their tours.

Dating Site for Intelligent People Launched in the UK (PR Newswire via Yahoo! Finance)

A dating website exclusively for intelligent people has now launched in the UK. IntelligentPeople.com is an online dating and networking community

Reruns vs. Reality (New York Times)

With reruns on CBS and Fox leading the ratings on Monday, ABC's reality dating series 'The Bachelorette' kept that network in close contention. According to Nielsen's estimates, 7.3 million viewers tuned in to 'The Bachelorette,' putting ABC in the lead at 8 p.m. ahead of Fox's 'Bones' (6.7 million). At 9 p.m., a special 'Men Tell All' episode of the dating show also fared well, winning its time ...

Dating assemblyman Adaza, 4 iba pa dinakip dahil sa 'coup' (GMA News)

MANILA Dinakip ng mga pulis nitong Miyerkules ang isang dating assemblyman at apat na opisyal ng militar dahil sa pagkakasangkot umano sa planong pabagsakin ang pamahalaang Arroyo.
